

**F O U R W A L L S**

*Out where the bright lights are glowing  
You're drawn like a moth to a flame  
You laugh while the wine's overflowing  
While I sit and whisper your name*

*Four walls to hear me  
Four walls to see  
Four walls too near me  
Closing in on me*

*Sometimes I ask why I'm waiting  
But my walls have nothing to say  
I'm made for love not for hating  
So here where you left me I'll stay*

*One night with you is like heaven  
And so while I'm walking the floor  
I listen for steps in the hallway  
And wait for your knock on my door*

*Four walls to hear me  
Four walls to see  
Four walls too near me  
Closing in on me*

*Closing in on me*

Jim Reeves' 1957 recording of "Four Walls" was produced by Chet Atkins and is often credited as the first true example of the Nashville Sound.
